

# SKYLIGHT SOLAR

A community solar  
project serving  
northern Vermont

Do you want to...

- Save 10-20% on your electricity bill?
- Support solar power without the logistics of installing panels?

Sign up today to get **discounted power!**

or visit us at  
[SkylightSolarVT.com](https://www.SkylightSolarVT.com)

Skylight Solar will begin producing power fall 2023, and is accepting new customers. We offer a 10% discount on solar power credits, and extra discounts for qualifying Vermonters (20%).

- Must be a customer of

- Signing up does not obligate you to buy power through Skylight Solar or guarantee an allocation of power
